Notification of New Medical or Genetic Concerns By Embryo Donors, EDI Assisted Reproductive Technologies

Introduction:

We ask that you notify Embryo Donation International (EDI) of any new significant medical or inheritable diseases that are discovered in your family. The information you provide here may be of significant use to the **Embryo Donor Recipients** and their embryo donation offspring.

We have also asked the **Embryo Donor Recipients**, the recipients of your wonderful gift, to notify us if any of the children that resulted from Embryo Donation process are found to have a significant medical or genetic disease that could influence the future medical care of you and your family.
